

## **ACPT Patients by Surgery Dates V8.1**

## Patients by Surgery Dates (ACPT):

Note: Viewing the surgery schedule is doctor specific, so you must be logged in under the correct doctor.

- Select the ASC/Surgery drop down from the Clock screen
- Select Advanced Cataract Planning Tool and Patients by Surgery Dates

ASC/Surgery	Contact Lenses	Billing	File Maint	Image Processing	Procedu		
Advanced (	ataract Planning 1	Summary Sheet Management					
Schedule Su	Jrgery	Patients' By Surgery Dates					

- Select the Surgery Date you would like to view
- Any patient that has had the date recorded in the Cataract Plan screen will show on the corresponding dates here. The Surgery Time will be shown on the schedule if entered in the Cataract Plan Screen. Surgery time defaults to 7:00am if not entered.
- > Sort Last Name Desc: sorts the last name to descending on the Surgery Schedule.
- Sort Last Name Asc: sorts the last name to ascending on the Surgery Schedule.
- Reset Sort: resorts the list back to the original order.
